We are always happy to celebrate when the people we help find jobs! One very happy job seeker shared her "thanks" with some of our staff members and wanted to make sure her testimony was shared:

"Thank you both for the help you have given me for the past few months in resume building. After listening to you and making the necessary changes to my resume, I received two job offers yesterday and signed for one in Fredericksburg with a Fairfax County salary scale, benefits in my area of expertise in the setting I require for special education. It is a ten minute drive to work on top of that. I would not have landed this job had I not made the changes to my resume that each of you suggested, I am sure of it. Thank you for your time and I wanted to pass this on to you so that others know of my testimonial."

Congratulations! :)
